TRANSPORTATION

AIRPORTS: Chicago O'Hare, Chicago Midway and South Bend, Indiana offer a wide variety of airlines originating from all over the world. Midway is highly recommended due to distance and convenience to Michigan City.

RENTAL CAR: You will need to provide transportation to and from the airport as well as to Vanair for class each day. A rental car is highly recommended.

BUS: Another option besides a rental car would be the Coach USA bus. Please visit www.coachusa.com for complete schedule information (Coach USA does not service South Bend International Airport). You will then need to take a taxi from the bus stop to your hotel.

TRAIN: Metra Trains also depart from both Chicago airports however; this will require a transfer to the South Shore Line to reach Michigan City, Indiana. Please visit www.metrarail.com and www.nictd.com for complete schedule information. The South Shore Line does leave directly from the South Bend Airport. You will then need to take a taxi from the bus stop to your hotel.

LODGING

Please contact Kolbri Corder, Dealer & Event Specialist directly for information and options regarding lodging: kolbri.corder@vanair.com, 219-879-5100 x 218 (O), 219-229-3412 (C).

CANCELLATION POLICY

Registration deadlines are due 4 weeks prior to first class day. You will be contacted shortly to confirm acceptance for the class days you selected. If there are open seats available after the 4 week deadline, we will still allow enrollment. Vanair reserves the right to cancel any classes up to 1 month prior to the first day of class. Vanair is not responsible for travel cancellation charges.

If you have any issues during your visit in Michigan City, please feel free to contact:
