Quiet Operation • Compact Design • Oil-Free!

Oil-Free, Proven Performance Scroll Compressor!

Introducing the EPEQ™ AIR15!

When you need oil-free, Clean, Quiet Power™ with no fumes or extensive heat build-up, the EPEQ™ AIR15 is your proven compressor choice. The EPEQ™ AIR15 oil-free, scroll compressor provides 15 CFM at 120 PSI, which is ideal for electric or hybrid vehicle air brakes and bus kneeling, since oil-free air will not foul condensed water or the braking system. Additionally, the compressor will run in both intermittent and continuous duty. The AIR15 compressor is also perfect for painting applications since oil-free air will not contaminate the process.
