

VAN AIR®

INFORMATION & ENROLLMENT

Our successful Vanair® Service training continues to graduate professionals with the most outstanding hands-on product education available anywhere. Vanair® Service Training is your best source for information and training on Vanair® products through instructor-led hands-on training - all geared to provide dealers with the opportunity to learn competitive advantages and necessary standards to successfully install and service all Vanair® products. Our state-of-the-art training facility provides hands-on training that will translate directly in the field, giving our dealers the competitive edge. Please dress accordingly for our hands-on work environment.

YOUR RESPONSIBILITIES

- Arrangement of all your travel including transportation and lodging accommodations
- Daily transportation to and from Vanair®
- Some meals

MEALS PROVIDED

Vanair® will provide all breakfasts, lunches, and (1) joint dinner.

Please let us know if you have any special food restrictions or allergies so that we can order food accordingly.

TRAINING LOCATION

Training will be held in-person at Vanair® North: **1625 East 2nd Street, Michigan City, IN, 46360.**

TRANSPORTATION & NEARBY LODGING

Airports

Chicago O'Hare, Chicago Midway, and South Bend, Indiana offer a wide variety of airlines originating from all over the world. Midway is highly recommended due to distance and convenience to Michigan City.

Rental Car

You will need to provide transportation to and from the airport as well as to Vanair® for class each day. A rental car is highly recommended.

Holiday Inn Express & Suites

Mention Vanair® for a discounted rate.
