

**EV** Charging – Anywhere – Anytime!

Introducing the EPEQ® Portable EV Charger Level 2 – your gateway to unparalleled convenience and flexibility in electric vehicle charging. Whether you're at home, at work, or on the move, this innovative charger is designed to elevate your charging abilities.

High Compatibility for EVs: Engineered with a NEMA 14-50 plug, our portable charger boasts high compatibility, ensuring it's the perfect fit for a wide array of electric vehicles and plug-in hybrids adhering to the J1772 standard, such as:

Versatile Dual-Purpose Design: Our package includes a soft storage bag, and a charging cable hook - offering a dualpurpose design that adapts to your lifestyle. Transform it into a fixed charging station in your garage or work area, or effortlessly switch to on-the-go charging by storing the cable in the included bag.

Easy to Use and Read Control: Real life monitoring of charging state or temperature, charging time, and real time current.

Convenience and Flexibility: Experience the freedom of charging your electric vehicle wherever there's an available power outlet.

Extra-Long 25-Foot Cable: The 25-foot charging cable offers unparalleled flexibility, allowing you to charge at home or at public stations with ease. Waterproof and dustproof enclosure with an IP66 rating, capable of withstanding elements like water and dust.

Industry-Leading Protections: Leakage protection, overcharge protection, lightning protection, low voltage and over voltage protection, over temperature protection, overheat protection, and grounding protection.

## PORTABLE EV CHARGER LEVEL 2

SPECIFICATIONS	
Charging Current	40A (26A/32A/40A)
Power Output	Up to 9.6kW Max
Voltage	240V AC
Connector	SAE J1772
AC Power Plug Type	NEMA 14-50
Operating Temperature	-22° F to 176° F
Charging Cord length	25 ft.
Certifications	UL2594 (UL2251, UL2263, UL991, UL1998) by SGS, FCC
IP Rating	IP66
Size	4.49" L x 2.82" W x 9.59" H
Weight	10 lbs.

**Carrying Case** 

NEMA L14-30P 30A Twist Lock Plug Adapter

Optional SAE J1772 to SAE J3400 Adapter
